

UVA Bicycle Map and Guide

This map provides bicycle friendly routes and bicycle infrastructure around Grounds. Recommended routes are shown in blue. These routes may contain bike lanes and/or sharrows, but conditions vary. The green routes highlight roads and paths that provide a quieter alternative, but note that some of these routes are shared with pedestrians. The pink caution zones identify congested intersections and road segments; use extra care in these areas. University regulations require that you walk your bike in the orange dismount areas.

-  **Main Bicycle Route**
-  **Quiet Bicycle Route**
-  **Dismount Area**
-  **Use Caution Zone**
-  **University Grounds**
-  **Rivanna Trail**
-  **Bicycle Fix-It Station**
-  **Bicycle Shop**
-  **Bicycle Pump in Library (check-out at circulation desk)**

Rules of the Road

-  Obey all traffic laws, signs, and signals
-  Ride with the flow of traffic
-  Stay off sidewalks
-  Wear a helmet
-  Be Predictable-signal when turning
-  Yield to pedestrians
