Outstanding balances may also be collected through payroll deduction after thirty days following the date of the citation or the date of the appeal decision, whichever is later.	

List of Citations

The enforcement of University Parking Regulations is primarily the responsibility of the Department of Parking and Transportation. The [U.Va Police Department](#) also exercise authority to enforce University Parking Regulations. The Department of Parking and Transportation assess fines and penalties and may revoke parking privileges of violators.

University of Virginia Purchasing Cards (P-Cards) may not be used to pay any citation or permit balance.

Failure to pay outstanding balances may result in additional collection efforts by a third party collection agency with additional fees. Outstanding balances may also be collected through payroll deduction after thirty days following the date of the citation or the date of the appeal decision, whichever is later.

- For most violations, the first ticket issued on an account in the 12 months preceding the violation date is normally a warning ticket and the fine may be waived. The warning ticket is forfeited for meter violations and all violations that carry a \$200 fine. If you are unsure about warning ticket status on any particular ticket, contact Parking and Transportation.
- For operation of a motor vehicle by a student not entitled to motor vehicle privileges, the penalty is \$200 and/or possible suspension from the University.
- For altering a permit the penalty is \$200 and revocation of parking privileges.
- For purchasing, displaying, or selling a permit under false pretenses, (for example, a dorm

student purchasing or displaying a commuter permit) the penalty is \$200 and/or revocation of parking privileges, in addition to possible booting/towing.

- For parking an additional car (second cars or carpool) in a University controlled area without having paid full fees, the penalty is \$200 and/or revocation of parking privileges, in addition to possible booting/towing.
- For improper use of Health System parking areas, for example, abusing a night time gate access permit, improper use of patient or department validations, parking in patient parking areas, or paying hourly fees during the course of a work schedule, the penalty is \$200, and possible revocation of parking privileges.
- Fraudulent Use of Permit - Persons who knowingly acquire, use, or display a parking permit with false information will be considered to be engaged in fraudulent behavior. This includes but is not limited to: Using permits to park multiple vehicles simultaneously, displaying revoked/lost/stolen permits, and displaying permits with altered information (dates/times/locations).
- For improper parking, the penalties are as follows:

All citation levels subject to a \$30 fee after 14 days.
